M.A/ M.SC PSYCHOLOGY ENTRANCE

Every University has a separate set of syllabus for Post-Graduation Entrance Examinations, which gets difficult to keep at par with. UPS Education gives its students preparing for their Post-Graduation a combined in-dept study material and classes. Mock tests and class tests are administered at regular intervals to prepare the students for an examination setting. Facilities provided by UPS Education for the preparation of MA/MSc Entrance makes it systematic, objective and easy to learn for students.

M.PHIL CLINICAL PSYCHOLOGY ENTRANCE

M.Phil Clinical Psychology is a mandate by Rehabilitation Council of India to practice as a Clinical Psychologist in a hospital setting/Private Practice. Without the license granted by RCI, no individual is legally allowed to practice as a clinical psychologist. M.Phil Clinical Psychology is a 2 year, full time course based on the guidelines of RCI, that specializes in the field of Clinical Psychology. Hence, it is important to complete the course from RCI recognised institutes like CIP, NIMHANS, IHBAS, RINPAS, KGMC, GFSU and many more. Preparation for the entrance exam of this course requires clarity in concepts, dedication, hard work and most importantly, the right guidance. UPS Education provides the best structure for the preparation of MPhil Entrance Examination. With the best faculty, all-in-one study material, class tests and mock tests provided by UPS Education, you are sure to clear the Entrance Examinations.

UGC NET/ JRF PSYCHOLOGY

It is a national level examination conducted by the National Testing Agency (Since Dec, 2018) to determine the eligibility criteria for lectureship and for awarding Junior Research Fellowship (JRF). IT is conducted for Post Graduate Indian Nationals to ensure minimum standard for teaching profession and research. It is conducted by the University Grants Commission (UGC) twice a year –

once in June and second in December. UPS Education provides to its aspiring students the right strategy, complete guidance and notes by expert faculty as per the recent and revised syllabus by the NTA. UPS Education has the highest rate of student selection.

GRE PSYCHOLOGY

Graduate Record Examination is generally used by universities abroad for the purpose of providing scholarship-based admissions. It consists of 2 exams – Paper 1 is pertaining to test an individual on their knowledge about Psychology and Paper 2 is for testing English language skills and basic knowledge. Studying abroad does not sound difficult with UPS Education!

PSYD ENTRANCE

It is offered by only a few universities in India. Some offer it as a full-time 2-year course (after completing MPhil Clinical Psychology), whereas some offer it as a full time 4-year course (MPhil not necessarily required). PsyD is a hospital practice-based Doctorate Degree. It is the best option for individuals who want to become clinical psychologists with their Doctorate. It is different from PhD as it involves a different course structure which is hospital-based knowledge and experience with research conduction. UPS Education provides the right support, information and strategies to fulfill the dreams of the aspiring candidates.

PHD IN PSYCHOLOGY

It is a rigorous research training program provided by universities across India to prepare the individual for a career in academics or research. It covers various aspects in psychology such as perception, cognition, neuroscience and behavior. Researchers gain insight about behavioral and mental processes through different qualitative and quantitative tools along with statistical procedures. Researchers help in keeping up the pace and making new advancements in the field of Psychology. UPS Education provides its students the best notes and tips to become a successful researcher.
